## **SYLLA GOLD ANNOUNCES INTENTION TO CONSOLIDATE**

**March 21, 2024 – Bedford, Nova Scotia – Sylla Gold Corp. (“Sylla” or the “Company”)** (TSXV: SYG) (OTCQB:SYGCF) announces its intention to consolidate its issued and outstanding common shares (the "Common Shares") on the basis of three (3) pre-consolidation Common Shares for every one (1) post-consolidation Common Share (the "**Consolidation**"). No fractional Common Shares will be issued and any fractional Common Shares will be rounded down to the nearest lower whole Common Share.

The Consolidation is subject to the approval of the TSX Venture Exchange, applicable securities regulatory authorities, and the approval of the shareholders of the Company. The Company anticipates that it will hold its annual and special shareholder meeting in May, 2024.

*Certain statements contained in this news release constitute forward-looking information under applicable Canadian, United States and other applicable securities laws, rules and regulations, including, without limitation, statements with respect to the completion of the Acquisition, the conditions to the completion of the Acquisition that must be fulfilled and the anticipated benefits and advantages of the Acquisition. These statements relate to future events or future performance. The use of any of the words “could”, “intend”, “expect”, “believe”, “will”, “projected”, “estimated” and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on The Company’s current beliefs or assumptions as to the outcome and timing of such future events. There can be no assurance that such statements will prove to be accurate, as the Company’s actual results and future events could differ materially from those anticipated in these forward-looking statements. Factors that could cause actual results and future events to differ materially from those anticipated in these forward-looking statements include the risks, uncertainties and other factors and assumptions made with regard to the Company’s ability to complete the proposed Acquisition; the Company’s ability to secure the necessary legal and regulatory approvals required to complete the Acquisition and the estimated costs associated with the advancement of the Property. Important factors that could cause actual results to differ materially from the Company’s expectations include risks associated with the business of the Company; risks related to the satisfaction or waiver of certain conditions to the closing of the Acquisition; non-completion of the Acquisition; risks related to exploration and potential development of the Property; business and economic conditions in the mining industry generally; the impact of COVID-19 on the Company’s business; fluctuations in commodity prices and currency exchange rates; uncertainties relating to interpretation of drill results and the geology, continuity and grade of mineral deposits; the need for*
